

BIN YOUR BUTT

HOW TO... ORGANISE AN EVENT FOR THE GIANT CIGARETTE BUTTS

STEP 1 WHEN & WHERE?

Decide when and where you would like to have the giant cigarette butts

STEP 2 PERMISSION

Check for landowners permission of the desired venue. This may be private or council owned.

STEP 3 GIANT CIGARETTES

Check with Litter Free Dorset that the giant cigarette butts are available for use.*

*As the giant cigarettes are made out of paper, they don't like being in the rain, so either use them in good weather or undercover.

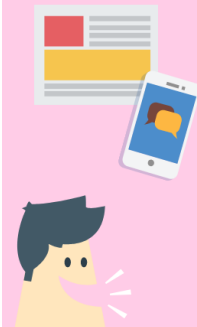

STEP 4 PROMOTE

Advertise the event!

This may be in the local paper, on local radio, by word of mouth, or on social media.

Make a poster, talk to local businesses, the library and the tourist information - get the word out!

Litter Free Dorset can also help promote your event, and have PDFs for a #BinYourButt poster.

STEP 5 CARRY OUT THE EVENT!

It is a good idea to have some of the CPRE stubby packs (portable ashtrays - available via Litter Free Dorset) to hand out to people.

Information about cigarettes can be found online or contact Litter Free Dorset for additional information.

Having difficulties with setting up your project?
