

# TOOLKIT

Off on your holidays, popping down the park with the dog or heading to the shops? Want to reduce your waste when you're out and about? Here are some quick tips and reminders.

## Be Litter Free On-the-Go

### REFILL

The refill scheme is super handy as it shows you which cafes and shops will refill your water bottle in Dorset. Keep a look out for this logo!

### REUSE

Bring along your reusable shopping bag, coffee cup and cutlery when out and about!

### LOVE YOUR VERGE

Use a bin to dispose of your rubbish or even better take your rubbish home to recycle!

### BIN YOUR BUTT

Dispose of your cigarette butts in a cigarette bin or by using a portable ashtray.

### REFUSE

Straws, stirrers and sauce sachets – try to say that fast! Pointless? Yes, that's exactly what these little bits of plastic are.

### BAG IT AND BIN IT

Always pick up your dog's poo!
