

SINGLE-USE PLASTIC POLICY

Instructions:

- After completing your single-use plastic audit, choose 3 commitments your business will work towards to reduce single-use plastic.
- Add your 3 commitments to the policy document and sign and date.
- We recommend emailing a copy of your completed policy to your staff to encourage everyone to get behind the commitments.
- It would be useful to print out a copy of your policy to display in your business to remind everyone to do their best to reduce single-use plastic.
