

Summer 2023

# SUSTAINABLE BUSINESS NETWORK NEWSLETTER

A network newsletter to share updates from Litter Free Dorset

## Join us at our next event at the LUSH Green Hub!

We're delighted to announce our next Sustainable Business Network event will be on **Thursday 13th July 2023** at the LUSH Green Hub in Poole. This Sustainable Business Network evening will focus on all things retail -if you work at a retail business, this one's not to be missed but all businesses are welcome!

Come along and hear from Eloise Flinter, Green Hub Business Development Manager, speaking about some of the innovative things happening at the Green Hub to help inspire you to make small, sustainable changes at your business.

This event will be a brilliant opportunity to meet other local businesses who want to make Dorset an even better place to live and work. Meet other network members, enjoy drinks & light bites and get a guided tour around the £2.3 million Green Hub which has just opened to the public.

The network event is **free** to attend but there's limited space so get your free tickets today!

## Network update

We're delighted to say we now have **56 Sustainable Business Network members**. A very warm welcome to all our new members! We're currently doing the next round of awarding at the minute so look out for an email to get your **2023 Sustainable Business Award**
